

CRIME PREVENTION TIPS

Village of Old Westbury Police Department

1 Store Hill Rd
Old Westbury, NY 11568
(516) 626-0200

Robert Glaser
Chief of Police

1. Always keep your garage door, interior door and front door closed and locked, even when at home. It only takes a moment for a burglar to enter your home and take something.
2. Remember to lock your windows, doors and use your alarm system when both home and away.
3. If you have a video surveillance system, be sure the cameras and recorder are properly functioning.
4. Keep lights on timers, music playing or the TV on, to have the home appear occupied.
5. If you park your vehicle outside overnight, remove your garage door opener from view. Burglars could use it to enter your home while you sleep.
6. Place your purse/wallet in a location that is out of view. Burglars are known to look into homes prior to breaking in, to see what they can take.
7. Never leave a key fob in your vehicle and always lock the doors.
8. If going on vacation, have a neighbor watch your home, pick-up the mail, newspapers and packages.
9. Be aware of your surroundings and look for any people or cars around you. If you think you are being followed call 911 and drive directly to the nearest police station. Consider pre-programming the Old Westbury Police Department, 1 Store Hill Rd Old Westbury, NY as one of your locations in your navigation system.
10. Apple Air tags are still a concern with the potential of tracking vehicles or people. Please see the informational flyer with more details on the Village website, under the police departments page.

If you have any security questions or would like additional tips you can email mbrown@oldwestburypd.org

Report suspicious activity when you see it without delay. Call the Old Westbury Police Department direct 516-626-0200 or dial 911. There are officers on duty 24 hours a day, 7 days a week.
